Director _____ School Phone _____

E-Mail Address _____

The selection committee requests your help in making the best choice possible in cases where instrumentation problems dictate that choices must be made between qualified students. We ask that you list students in order of their qualifications and by the part you recommend they be assigned. **Please reserve your recommendations for the Honors Wind Ensemble for seniors and All-Staters only. Seniors may be nominated for either ensemble.** Where possible, we will honor recommendations. All director evaluations will be kept confidential. Please return an application for each student. Applications cannot be processed without both the Director Evaluation Form and the Student Membership Application. **The deadline for all applications is November 13, 2009.**
