We are in the process of reviewing the information you provided on your 2009-2010 Free Application for Federal Student Aid (FAFSA). As part of that review, we have noted that you left this area blank **OR** there is a need for a potential correction. At this time we would like you to verify, **as of the time you completed the FAFSA**, both the number of people in your household, as well as who will be attending college in the 2009-2010 academic year.

Please complete the chart below, listing the people in **your parents' household**, include:

- ☉ **Yourself** and **your parent(s)** you live with (including stepparent), and
- ☉ **Your parents' other children**, even if they don't live with your parent(s), if:
 - (a) your parents will provide more than half of their support from July 1, 2009 through June 30, 2010, or
 - (b) the children would be required to provide parental information when applying for Federal Student Aid, and
- ☉ **Other people** if they **now live** with your parents, and your parents provide more than half of their support and **will continue to provide** more than half of their support from July 1, 2009 through June 30, 2010.

Write the names of all household members (as defined above) in the chart below, then:

- ☰ Please list the college/university only for **degree, certificate or credential seeking** family members, *excluding your parents, who will be attending college at least half time* during the 2009-2010 academic year.
- ☰ Please remember, **do not include** your **PARENTS'** (if applicable) college/university. Parents can no longer be included in the number in college for Federal Student Aid purposes.
