We are in the process of reviewing the information you provided on your 2009-2010 Free Application for Federal Student Aid (FAFSA). As part of that review, we have noted that you answered, "YES" to FAFSA question #50, which states:

At the beginning of the 2009-2010 school year, will you be working on a master's or doctorate program (such as an MA, MBA, MD, JD, PhD, EdD, or graduate certificate, etc.)?

However, after a preliminary check of your records this is incorrect.

For Pharmacy students, if your classification for any of the following terms: Summer 2009; Fall 2009; Spring 2010 will be Freshman, Sophomore, P1, or P2 -- you should have answered "NO" to this question.

If you feel you received this letter in error, please contact our office at the number listed above.

You must remedy this situation before your application for financial aid can be processed. You will need to change your answer for question #50 and resubmit your Student Aid Report (SAR) to the processing center with the necessary correction. Please complete the parental section if you have not already done so, and both you and your parent must sign and return the form.

You may make the corrections on the FAFSA website. In order to make the correction on the internet go to the website www.fafsa.ed.gov. If your parents do not have a pin number, be sure to have them request one so that they can sign the FAFSA. Also, be sure to change question #50 to no and add parent information.

Please be sure to update your **mailing** address and phone number if they have changed. To do this, log into blueView and on the home tab choose the MyDUSIS link and then personal information. If you would prefer to do by phone, call Student Records at [515-271-2025](tel:515-271-2025).
