

## For All Drake Study Abroad Returnees

# YES! I WANT TO BE A "WELCOMER"!

What better way for Drake's new international students to know they are truly welcome, than to be met at the airport by a friendly face and escorted to campus by someone who knows the university?

We would like to match new international students, who will be arriving at Drake for the upcoming semester, with Drake study abroad returnees who know what it is like to arrive in a foreign place.

If you wish to welcome new international students please complete the following form and return it to;
