

## Application Paul Thibodeau Travel Scholarship for Global Citizenship

This award, funded by Drake alumnus Paul Thibodeau, supports Drake's mission to prepare students for responsible global citizenship by assisting a Drake student with the travel costs of an education abroad experience.

To be eligible, the applicant must be an admitted, currently enrolled, degree-seeking student with a college GPA of least a 2.5. A disciplinary check will be done and may affect an applicant's eligibility.

Both undergraduate and graduate students are eligible. Priority will be given to students who enroll in Drake-administered programs abroad.

This is a need-based scholarship as determined by the Office of Student Financial Planning from the results of the Free Application for Federal Student Aid. The award is applicable only to education abroad experiences offered outside the US 50 states. The scholarships will be credited directly to student accounts and will be cancelled if the recipient does not enroll in the program for which the award was made. Standard Drake policies related to withdrawal apply.

The recipients must agree to have their names released to the donor of the scholarship and will be asked to give a campus presentation about what they learn from their education abroad experience.
