Drake E-Mail Account

Once registered for your first class, you will receive a Drake email account within two to three days. Any correspondence from the Drake University community will use your Drake email account exclusively.

The Drake email account will come only upon registration in a course, not when you are admitted to a program.

After you sign into blueView you will see the icons below. Select the *email icon*. The password for your Drake email is the same as your blueView password.
