Drake University Immunization/TB Screening Requirements

Please read document carefully.

Failure to complete as instructed could result in future semester class registration delays.

For questions on completion, please call (515) 271-3731.

- Send completed health form / immunization documents directly to the Student Health Center at the address above.

Obtain copies of your immunization records and attach to this form.

Examples of acceptable documents include:

- **Copies** of personal immunization records (“baby book”)
- **Copies** of physician office or Health Department immunization records
- **Copies** of high school or previous college immunization records

Part I	Measles, Mumps, Rubella (MMR)	Required for all students
---------------	--------------------------------------	----------------------------------

Requirement:

- 2 doses of MMR vaccine. The first dose must have been given at age 12 months or later. The second dose must have been given at least one month after the first dose.

Or

- Titer (blood test) results proving immunity to measles (rubeola), mumps and rubella. Documentation is required.

Part II	Tuberculosis(TB) Screening	Required for all students
----------------	-----------------------------------	----------------------------------

Check any that apply:

- From or have lived for two months or more in Asia, Africa, Central or South America or Eastern Europe.
- Have been diagnosed with a chronic medical condition that may impair your immune system.
- A health care worker/volunteer in a nursing home, prison, residential institution or hospital.
- Contact with a person known to have active tuberculosis.
- Have symptoms of active tuberculosis, such as unexplained weight loss or weakness, coughing up blood, night sweats.
- Productive cough for more than 2 weeks.

IF any of the above do apply, TB Screening is required.

None of the above apply

Provide documentation of TB screening (PPD Mantoux skin test read and documented in millimeters of induration) within the past 12 months. Chest x-rays will be required at the student’s expense for anyone with a positive skin test. Please attach a copy of the chest X-ray report.

Part III	Meningococcal Vaccine	
-----------------	------------------------------	--

- Iowa legislation requires students in university housing to be provided educational materials regarding meningococcal vaccine/disease.
 - Show documentation of meningococcal vaccine.
 - or**
 - Sign a waiver that indicates they have been provided educational materials, but have chosen not to receive the vaccine at this time.

To make an informed decision about receiving the vaccine it is important to read the information provided at the following websites:

- Centers for Disease Control (CDC) www.cdc.gov/nip/publications/VIS/vis-mening.pdf
- American College Health Association (ACHA)

www.acha.org

Section 1 - For students who have received the vaccine

I have received the meningococcal vaccine. A copy of the required documentation is attached.

Printed name of student: _____

Signature of student: _____ Date: _____

Section 2 - Waivers (complete section 1 or 2)

To be completed by students 18 years of age or older, or parents of minors.

I am 18 years of age or older or the parent of a minor child. Drake University has provided me information explaining the risks of meningococcal disease and I am aware of the effectiveness and availability of the vaccine. **I do not choose to get the meningococcal vaccine at this time.**

Printed name of student: _____

Signature of student or parent / guardian: _____

Date: _____

Part IV Other Immunizations

The following immunizations are strongly recommended, but not required, for all University students:

- **Tetanus/Diphtheria** Administered within the past 10 years. (If a Tetanus/diphtheria booster is indicated, it is recommended to also include acellular pertussis)
- **Hepatitis B series** (3 doses). Even if incomplete, provide documentation of dates of any doses received.
- **Influenza vaccine** Available each fall and advisable for all students but in particular those with diabetes or other chronic illnesses.
- **Varicella (chicken pox)** No vaccine is needed if there is a good history of natural infection. If history is questionable, a blood test can be done at the student's expense to determine immune status. If you received the vaccine, you will need a second vaccine for immunity.
If history of chicken pox infection, indicate approximate Month___Year___
- **Gardasil** HPV vaccine (3 doses). May start or complete series at the Student Health Center.

If any of these immunizations have been received please send a copy of your record. Immunizations may be given at the Student Health Center for a fee. Call (515) 271-3731 if you wish to schedule an appointment.

Part V	Parental Consent for Minor
---------------	-----------------------------------

The above named student has my permission to receive services at the American Republic Student Health Center. I understand that employees of the Central Iowa Health System staff the American Republic Student Health Center in a contractual agreement with Drake University.

Permission for my child to receive services shall remain in effect until my child is 18 years of age. At that time I understand that my child will no longer need my permission to receive services. A parent or guardian can revoke this permission in writing at any time.

Signature of parent / guardian

Date

Emergency Contact Number _____

CHECKLIST:

- 1. Did you answer the Tuberculosis screening questions on page 2?**
- 2. Did you include documentation of 2 (two) MMR vaccines or titres on page 2?**
- 3. Did you include documentation of meningitis vaccine or sign waiver on Page 3?**
- 4. Did you explain/comment on questions that you answered “yes” on the first page?**
- 5. If you are not 18 years of age, did your parent sign the parental consent?**

**ALL ABOVE ITEMS NEED TO BE COMPLETED TO AVOID A
HOLD ON YOUR ACCOUNT**
