

Criterion 3 Meeting 10/26/04

- 1) The committee discussed the process for continuing discussions for the rest of the semester in order to carry out joint meetings with the Criterion 4 group on general education outcomes. It was determined that the whole committee would meet from 3:30-4 on November 9 to get brief updates from the subcommittees and to further discuss the proposal for a “day of outcomes” in the semester calendar.
- 2) The current plans subcommittee indicated that they have pulled a list of current programs from the web and asked committee members to double check the list. J. Burney indicated he would also share it with the Steering Committee and the Deans’ Council.
- 3) A brief discussion followed on the need for a criteria template for approving courses for the Drake Curriculum.
