New Student Information Sheet

The following information outlines your responsibilities in the admission and enrollment process to help you plan for a smooth transition and arrival at Drake University next fall. Please contact the College of Pharmacy and Health Sciences at 1-800-44-DRAKE x3018 or (515) 271-3018 if you have any questions. For additional information, you can also access the College of Pharmacy and Health Sciences website at www.drake.edu/cphs.

Enrollment Reply Form and Tuition Deposit

To confirm your intent to enroll at Drake University next fall, you must complete the online enrollment reply form and submit the required \$250 non-refundable tuition deposit within 30 days of receiving your letter of admission. Instructions on how to access the online enrollment reply form can be found on your admission status page within your Admitted Student Portal. **We ask that you submit the online enrollment reply form regardless of whether you intend to enroll at Drake.**

Registration

Once we have received your tuition deposit, you will receive information regarding the ABSN curriculum, your degree audit and fall registration.

Questions about curriculum, degree audits, transfer credits and registration should be directed to Nicholas Kavanaugh, Assistant Director of Student Affairs in the College of Pharmacy and Health Sciences, at nicholas.kavanaugh@drake.edu or by calling (515) 271-3018.

CPHS Professional Student Orientation

All students are required to attend CPHS Professional Student Orientation during the week of August 19-23, 2024. Students who enroll for the fall semester will receive more detailed information via email over the summer.

White Coat Ceremony

All students are required to attend the ABSN White Coat Ceremony on Friday, August 23, 2024. Students may invite family, friends, and guests to attend the White Coat Ceremony. Students who enroll for the fall semester will receive more detailed information via email over the summer.

Final Transcripts

You must submit final official transcripts from all institutions in which you were enrolled prior to Drake by October 1, 2024. This includes dual-credit transcripts and official Advanced Placement score reports. Please ensure that any degrees you have earned are conferred on that institution's transcript before sending. Electronic documents are preferred. All documents should be emailed directly from the sending institution to the Drake University Registrar's Office at registrar@drake.edu. Institutions that are not able to send electronic documents may send via U.S. Mail to

Drake University
Attn: Registrar's Office
2507 University Ave.
Des Moines, IA 50311

Laptop Computer Requirement

Students enrolled in CPHS professional programs are required to have a laptop computer. Students will use laptop computers for completing coursework, accessing electronic learning management systems, electronic testing and assessments, and other academic needs. Laptop computer requirements for CPHS students may be found on the Drake Information Technology Services webpage. Any device that does not meet the University requirements may not be compatible with testing requirements. It is each student's responsibility to make sure that their device is acceptable and maintained in functioning order. It is recommended that students have high speed internet access at their home.

Housing

Drake West Village offers fully furnished apartments conveniently located across the street from campus. For more information visit www.drakewestvillage.com or call (515) 255-0370.

Drake Real Estate serves as a neighborhood clearinghouse between private landlords and students seeking apartments in the area. For more information visit <https://drake.allterraproperties.com/> or call the Drake Student Life Center at (515) 271-3711.

Review the Living in Des Moines Information Sheet (linked in your admission letter) to learn more about housing opportunities in Des Moines and the surrounding communities.

Students who have not yet completed an undergraduate degree are invited to live in Drake's residence halls. For more information, you may visit the Office of Residence Life website at www.drake.edu/residencelife or call (515) 271-3781.

Access and Success (Student Disability Services)

Services are available to assist students with disabilities in need of campus and classroom accommodations. For more information visit <https://www.drake.edu/access-success/disability-services/> or call (515) 271-1835.

Financial Planning

Need- and merit-based financial assistance is available for Drake students and families. The priority deadline to complete the Free Application for Federal Student Aid (FAFSA) is March 1, 2024. For more information visit www.drake.edu/finaid or call (515) 271-2905.

Criminal Background Checks and Drug Screening

Students will be informed regarding mandatory criminal background checks and drug screening via email over the summer.

University Health Records

To attend Drake University, a completed medical history form is required before enrollment. This requirement is separate from CPHS requirements to participate in experiential education (see next section).

The University's required medical history form is linked in your admission letter. Please mail your completed Medical History Form to

Broadlawns Community Clinic at Drake
2970 University Ave.
Des Moines, IA 50311

Do not mail the University's form to the CPHS Experiential Office.

Questions about the University's medical history form should be directed to Broadlawns Community Clinic at Drake at studenthealthcenter@drake.edu or by calling (515) 216-5199.

Medical Certification for CPHS Experiential Education

To participate in experiential education, students must have their health care provider complete a CPHS Medical Certification Form for the ABSN program (which is linked in your letter of admission). The completed form must be uploaded in CORE. Please note, this is not the same form as the University's medical history form (previous section)

CPR Training

Students must provide proof of American Heart Association (AHA) Basic Life Support (BLS) for the Healthcare Provider certification prior to the first day of the fall semester. Certification must be maintained throughout the entirety of the ABSN program.

Nursing Practice Experiences

The Drake ABSN program is a 12-month program starting in August. You are entering the program in the 2024/2025 academic year and will participate in experiential education (i.e., clinical) hours throughout the entirety of your program. Upon successful completion of all curricular and experiential program requirements, you can expect degree completion to be in August of 2025.

Some of your clinical experiences may be located outside the Des Moines metro area, which may result in additional travel and/or living expenses during that time. Students are expected to provide their own transportation to clinical experiences.
