

TODAY'S LEARNERS. TOMORROW'S HEALTHCARE LEADERS.

Pre-Nursing (Drake ABSN)

For students entering Fall 2024 or later

As a pre-nursing student, you will complete three years in the pre-nursing track of the Bachelor of Science in Health Sciences degree, followed by 12 months in Drake's Accelerated Bachelor of Science in Nursing (ABSN) program. Both degrees are awarded upon successful completion of the ABSN program. This pre-nursing track includes several benefits such as full consideration for admission to Drake's ABSN program, college resources and support during your undergraduate coursework, membership in student organizations, and enrollment in Health Sciences courses, allowing you to gain job shadowing experiences, career exploration opportunities, innovation and practice management skills, and an understanding of the health care system.

Bolded courses must be taken in the designated semester unless prior approval by the College is provided.

***Asterisked HSCI courses** have multiple offerings each year; they should be taken within the designated year, but can be taken during an alternative semester.

1 = BIO 129/L – Mammalian Physiology or PHAR 125 can be substituted for requirement (courses offered only in fall semester)

2 = ECON 002 – Microeconomics can be substituted for requirement (HSCI 102 offered only in fall semester)

3 = STAT 071: Statistics I – an exception to program policy request may be submitted to fulfill this requirement

Electives (minimum 45 credits): Elective credits include [Drake Curriculum](#) requirements not fulfilled by required coursework (outlined below) as well as non-required coursework that permits exploration of and/or advanced study in areas of professional interest within the student's primary degree. Students should review the [student handbook](#) for the complete elective policy. A maximum of 30 credits can be equated from the ABSN to this Health Sciences degree.

Drake Curriculum Areas of Inquiry not fulfilled by required coursework (9 credits): Artistic Literacy, Historical Foundations, and Written Communication. Engaged Citizen is satisfied with PHAR 171, Healthcare Systems & Policies, which is taken during the ABSN program.
