Hayes Student Commons

HSC provides a space for you to work collaboratively or to tuck away in a corner for an independent study spot. The HSC has a set of lockers you can use to store project or personal items throughout the day. This space will be set as shown above and can be rearranged to fit your needs for an event.

Space is reservable and furniture can be re-arranged to meet the needs of the scheduled program.

Space is reservable but can also be used freely when not reserved. Furniture is set and room will be used as is.

Space is not reservable and can be used on a first come first serve basis. Furniture arrangement is set.

August Lounge

The August Lounge is a spot to hang out, unwind, study with friends, work on a project, or host a meeting. You can do it all in this space! The furniture is set but the possibilities for this space are endless.

Lacy Workshop

The Lacy Hub is the new student life workroom. You will find all the items needed for door decorations, posters, and so much more. Pop in throughout the day to craft what you need. Hosting a craft or painting night? Reserve the Lacy Hub for your event.

Huddles

Throughout the building you will find space to accommodate independent work or small groups. These 'huddle' spaces are not reservable and folks are welcome to come and go as they need.
