

INTERFAITH @ DRAKE

A multireligious, multicultural
organization

- Who Are We?
 - students of all faith backgrounds - or no faith at all - are members of interfaith. Many of our students practice a variety of different religions, while others simply like learning about religion
- What do we do?
 - Interfaith meets monthly to connect students who are interested in religion, both personally or academically. We discuss religious topics, host guest speakers, celebrate each other's faith holidays, and visit religious sites
