

AP, IB, CLEP, GCE Credit For Students Entering Fall 2024

(Revised in May 2024)

Drake University awards advanced standing credit through several programs. In consultation with faculty advisors, all credits accepted are applied toward completion of Drake Curriculum, major, or elective requirements. The course equivalencies shown are used as guidelines in the process and are subject to change.

During orientation and registration, students are encouraged to register for classes according to the guidelines for advanced credit and the scores they expect to achieve. If actual scores are different from those anticipated, class schedules may be adjusted accordingly after arrival on campus. Official transcripts must be provided to the Office of Student Records and Academic Information directly from the issuing organizations prior to the beginning of a student's first semester at Drake.

ADVANCED CREDIT LIMITATIONS.

Duplication: Credit will not be granted for any AP, IB, or CLEP exam for which college credit has already been earned. Students will not be granted credit for a lower-level course in a sequence of courses after credit in a higher-level course has been earned.

Science Majors: Students majoring in a science, a pre-professional science-related field, or pharmacy should contact the appropriate department or college to verify how science credits earned through these programs will be applied to the major.

We have issues getting scores to automate for the **English Language & Composition, English Literature & Composition, and European History**. Make sure to check your record after school starts. Contact the Registrar's Office if they are missing.

Advanced Placement Program (AP)

Faculty advisors will determine whether acceptable AP coursework will be applied toward Drake Curriculum, major, or elective requirements. Credit for other AP examinations will be reviewed as needed.

* Not more than 8 semester hours of Advanced Placement credit for Calculus will be granted.

** Not more than a total of 6 semester hours of Advanced Placement English credit will be granted.

*** Students who complete both Language and Literature classes in French and Spanish will receive only 3 additional credits for the Literature exam.

**** Students who opt to take CHEM 001-004 at Drake will receive credit for CHEM 006, CHEM 007, and CHEM Elective credit. Pharmacy students will receive credit for CHEM 006, CHEM 007, and CHEM Elective credit.

***** Students who wish to minor in a world language cannot count transfer credits towards their minor. Students will have to take a placement exam before enrolling in the language of their choosing.

International Baccalaureate Program (IB)

Faculty advisors will determine how IB coursework will be applied toward Drake Curriculum, major, or elective requirements. Credit for other IB examinations will be reviewed as needed.

* Students who opt to take CHEM 001-004 at Drake will receive credit for CHEM 006, CHEM 007, and CHEM Elective credit. Pharmacy students will receive credit for CHEM 006, CHEM 007, and CHEM Elective credit.

** Students who opt to take CHEM 001 and CHEM 003 at Drake will receive credit for CHEM 006 and CHEM 007. Pharmacy students will receive credit for CHEM 006 and CHEM 007.

***Students who wish to minor in a world language cannot count transfer credits towards their minor. Students will have to take a placement exam before enrolling in the language of their choosing.

College-Level Education Program (CLEP)

Any undergraduate student may qualify to earn credit toward graduation through the CLEP Subject Examinations listed below. The subject exams are essentially end-of-term tests designed to measure achievement in specific college courses.

For any subject exam, the required score may change from year to year. Students are not eligible to earn credit through an examination if they have withdrawn from an equivalent course after the midpoint of the semester. Students who have taken either semester of introductory accounting are not eligible to earn credit by exam for the remaining semester. **The maximum possible credit granted through CLEP is 39 hours.**

Students with strong backgrounds in any of the following subjects are advised to take the corresponding subject examination. Students must achieve the Drake required score to earn credit in the subject area.

CLEP EXAM	REQUIRED SCORE	ACE STANDARD	HOURS EARNED	DRAKE EQUIVALENT
American Government	65	50	3	POLS 001
Analyzing and Interpreting Lit	51	50	3	ENG Elective
Biology*	50	50	4	BIO 001, BIO 001L
Business Law	50	50	3	BLAW 060
Calculus with Elementary Functions	61	50	3	MATH 050
College Mathematics	61	50	3	MATH 017

Macroeconomics, Principles	50	50	3	ECON 010
Microeconomics, Principles	50	50	3	ECON 002
Pre-Calculus	61	50	4	MATH 020
Psychology, Intro	59	50	3	PSY 001
Social Sciences and History	50	50	6	GE ELECTIVE
Sociology, Intro	56	50	3	SCSS 001

Spanish Language	50	50	9	SPAN 001 + SPAN 002+SPAN Elective
Western Civilization I	50	50	3	HIST Elective
Western Civilization II	50	50	3	HIST Elective

Credit will not be granted for the following exams: Chemistry, College Composition, College Composition Modular, Information Systems, Algebra/Trigonometry, Trigonometry, College Algebra, Principles of Management, Principles of Marketing, and Intro to Educational Psychology.

*None of these apply to the 32 BIO credits and 6 BIO lab courses required for the BIO major. For BIO majors CLEP can count towards the 124 credits required for graduation. BIO 001 and 001L fulfills the life science AOI with lab.

GCE

Faculty advisors will determine whether acceptable GCE coursework will be applied toward Drake Curriculum, major, or elective requirements. Credit for other GCE examinations will be reviewed as needed.

If students take AS levels instead of A-levels credits are half of A-Levels.
